As per your request to re-send this information initially sent to you on July 20, 2016, please see the below link to access EPA's Shooting Range Manual which contains information about what should be included in putting together a Stewardship Plan.

Dear Ms. Hayden,

I also note – probably because of the misspelling – I did not see the examples of the Environmental Stewardship Plans you said you sent me.

Can you please resend them?

Thanks again.
