Thanks for trying, I appreciate it. Guess the file is just too big … we don't have any file size restrictions (at least that's what I've been told by our IT folks) as I've received/sent e-mails in excess of 15 MB.
I look forward to hearing from you later on re: the FTP site once you touch base with your tech guys. If it's not possible to set one up and if our on-site meeting isn't scheduled to take place for a while, is it possible to mail a copy of the ANMP?
