Doug, attached for your review is a proposed response to OECA's request for feedback on its 1/22/2018 Interim Guidance on Enhancing Regional-State Planning on Compliance Assurance policy. Our proposed response is in a table format as requested by OECA. Our draft represents the combined input of the ECEJ management team.

I've also attached copies of the January memo and the recent request for feedback memo for ease of reference.

Let us know if you have any comments, or if you would like to discuss our proposed response. It is due to OECA next Wednesday, November 14.

Thank you, ct
