Re: Freedom of Information Act Request No. EPA-HQ-2019-005173, Final Response

Dear Mr. Walker:

This letter concerns the above-referenced April 22, 2019, Freedom of Information Act (FOIA) request to the U.S. Environmental Protection Agency, as clarified by a subsequent phone conversation on May 30, 2019 in which you agreed to limit the scope to all email correspondence between Assistant Administrator of the Office of Enforcement and Compliance Assurance (OECA) Susan Bodine; Deputy Assistant Administrator Larry Starfield and Amazon.com Inc, Amazon Services LLC or Golden State FC LLC, from Jan. 1, 2018 to the present. As discussed, we performed an electronic search of their email servers for that time period and did not find any correspondence that would be responsive to your request.

This letter concludes our response to your request. You may appeal this response by email at hq.foia@epa.gov, or by mail to the EPA's National FOIA Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2310A), Washington, DC 20460 or through FOIAonline if you are an account holder. If you are submitting your appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1200 Pennsylvania Avenue, N.W., Room 5315, Washington, DC 20460. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals *received* after the 90-calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal." Additionally, you may seek dispute resolution services from EPA's FOIA Public Liaison at hq.foia@epa.gov or (202) 566-1667, or from the Office of Government Information Services (OGIS). You may contact OGIS in any of the following ways: by mail, Office of Government Information Services, National Archives and Records Administration, Room 2510 , 8610 Adelphi Road, College Park, MD 20740-6001; email, ogis@nara.gov; telephone, (202) 741-5770 or (877) 684-6448; or fax, (202) 741-5769

Sincerely,

Patrick J. Egan
Deputy Director of Communications
