Attached is the final version. I redlined a few minor corrections for consistency that should not raise any concerns.

I'm having my folks work with your folks on having the MOU set up for signing. Look at this version and make sure it's what we all agreed to. Thanks

Can someone on your team work with Wyoming DEQ to have this MOU prepared for signing on October 26. It should be put on better paper and it should have EPA and the state of Wyoming logos on the MOU. Let me know if that can be done.

Thanks
