Cathie,

Yes, we will agree to exclude those two CBI items listed below at this time. The agreement to exclude does not waive OPPD's right to renew the request and demand substantiation of the CBI, however.

Thank you for confirming that Duff and Phelps waived confidentiality of that report.

Regards,

Kate McNamara

Kate,

Just wanted to follow up and see if you had a chance to talk to OPPD about whether it wants to exclude from its FOIA request those CBI items we discussed. Specifically, we discussed exclusion of:

1. Sempra Texas Holdings Corporation's board of directors' names, titles, and dates of election/resignation
2. EPA contractor financial labor rates and cost estimates

Please let me know at your earliest convenience whether you would like to exclude either or both of these items from your FOIA request. We had also discussed exclusion of a financial analysis prepared by Duff and Phelps in 1955, but upon further discussion between EPA and Duff and Phelps, Duff and Phelps has waived confidentiality as to this document, so EPA will produce this document in full.

Thanks!
