LEAN Surveying Effort to Assess Level/Amount of State Oversight across the Regions

Background on Effort:

The Agency has created this template/survey (Excel file) to collect data on state oversight activities as part of the Agency State Oversight LEAN effort. The goal of the State Oversight LEAN workgroup is to "Define,
Please respond with a single consolidated response for your region by **Wednesday, January 10, 2018**. In addition to the completed survey, the region should include a description of any regional overall approach to state oversight planning and implementation including any regional best practices.
For questions regarding completion of the survey, please contact Rob Cannon at (202) 566-2925 or Latonia Cheatham-Strickland at (202) 564-7930.

Operational Instructions and Definitions:

The template includes definitions for the data columns and additional instructions/requests for input to improve the template are listed below.

1. We have included operational definitions to avoid any ambiguity or confusion with the terms (e.g., Program Activity versus an Enforcement Activity)
2. As you work with the Excel spreadsheet, you will notice that there are drop-down selections. If more than one drop-down applies, you should create another cell entry. Some of the selections will
3. We recommend your various media Branch Chiefs or Program Managers review the template data prior to submitting.
4. Please submit a list by email of who completed and reviewed the template data.
5. In creating the template, we tried our best to include every scenario/oversight activity, but if we have missed something, please identify any key omission of data/programs.
6. The notes column is to be used for state/territory/district and/or program specific information that is not included in the other columns or to further explain data in the columns. We recognize the notes

Thank you!

Worksheet Instructions

1	Select your Region's Tab
2	In the column titled "Program" select cell B3
3	(Note: Each row is a unique record and each column reflects a characteristic of that record)
4	(Note: Click on the "Operational Definitions" tab for descriptions of the columns and pick list selections. This will help guide your understanding and selection of characteristics for a column's drop down list.)
5	Populate the "ADDITIONAL PROGRAM DETAILS" column with clarifying program information.
6	Repeat steps 1-5 to create another record
	*For programs you administer, that are not listed, you may enter them in under the "PROGRAM" column. You will also must to type in the authority as it will not auto-populate.
	The capability to type in data is applicable to all columns with the exception of "REGION."

Example 1. Records

PROGRAM	AUTHORITY	OVERSIGHT CATEGORY	OVERSIGHT ACTIVITY	BASIS for the ACTIVITY	STATE/TERRITORIES	FREQUENCY	ADDITIONAL PROGRAM DETAILS	REGION
Stationary Source (165)	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Program Delegation/Authorization	IA KS			R7
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	Permit Quality Review	Program Delegation/Authorization	IA			R7

Example 2. Records

PROGRAM	AUTHORITY	OVERSIGHT CATEGORY	OVERSIGHT ACTIVITY	BASIS for the ACTIVITY	STATE/TERRITORIES	FREQUENCY	ADDITIONAL PROGRAM DETAILS	REGION
Stationary Source (165)	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Program Delegation/Authorization	All States/Territories in Region	As Required		R8
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	State Review Framework	Program Delegation/Authorization	MT	Every 5 years		R8
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Program Delegation/Authorization	MT ND	As Required		R8
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Program Delegation/Authorization	CO ND UT	As Required		R8
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	Oversight inspections	Program Delegation/Authorization	CO ND WY	Annual		R8

Example 3. Records

PROGRAM	AUTHORITY	OVERSIGHT CATEGORY	OVERSIGHT ACTIVITY	BASIS for the ACTIVITY	STATE/TERRITORIES	FREQUENCY	ADDITIONAL PROGRAM DETAILS	REGION
Water Quality Standards	CWA	Program	Review State Submissions	Oversight Required by Statute		Real Time	Approve or Disapprove state WQS	
Water Quality Standards	CWA	Program	Review State Submissions	Oversight Required by Statute		Real Time	Promulgation of EPA water quality standards after EPA disapproves a state's submission	
Water Quality Standards	CWA	Program	Peridoic Program Discussions with States	Oversight Required by Statute		Real Time	Technical Assistance: State X sometimes asks EPA to review draft water quality standard before X submits it to submits it to EPA	
Water Quality Standards	CWA	Program	Periodic Program Discussion with States	Oversight Not Required by Statute		Real Time	Technical Assistance/Education	

Additional Direction

Again, for additional clarification on the columns and a list term, please see the "Operational Definitions" tab

Please expand upon the following frequency designations "As Requested." Also, please add any additional information relevant to the oversight activity (e.g. Best Practices in the "ADDITIONAL PROGRAM DETAILS" column).

Explanation of Worksheet Columns

Column Heading	*Description*
Program	Contains a list of oversight programs to select from.
Authority	Auto-populates with the "Act" authorizing the program.
Oversight: Category	Identifies what category the program falls into for the region.
Oversight: Activity	Contains the specific actions the region performs in executing program by category.
Basis	Contains a list explaining why the oversight is performed by the region.
State/Territories	Identifies the state, states, tribes treated as states, or local districts for which the activity is applicable. The data col select the state or group of states to which the activity applies.
Frequency	Identifies the actual frequency at which the activity is performed. If the actual frequency is different from what is re statute, regulation, policy or PPG/PPA, please put the required frequency in the "Additional Program Details" colum
Additional Program Detail	A place for additional explanatory notes.
Region	Auto-populates the region.

Categories

Term	*Definition*
Compliance Monitoring and Enforcement	Includes activities for authorized or delegated programs that pertain to enforcing the nation's environmental laws, in compliance and enforcement. Compliance & assistance activities are excluded.
Grants	Activities associated with ensuring States are meeting the commitments in their grant workplans.
Program	Includes all activities for authorized, delegated, approved or other types of programs other than enforcement (e.g. i permits, etc.).

State Oversight Activities (includes local districts & Tribes with TAS status)

Term	*Definition*
Title V Program Evaluation	OAR/Regions' formal periodic evaluation of State's Clean Air Act Title V Operating Permit Programs
State Review Framework	OECA/ECOS enforcement oversight program.
Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Review of draft permits, enforcement actions, etc. as they are being developed and before they are final (as oppose fact review that may occur as part of an audit, for example).
Review State Submissions	The work EPA does with States after a submittal. For example, water quality standards, TMDLS, etc.
Permit Quality Review	Office of Water's NPDES permitting oversight program.
Other Periodic Audit or Review	Audit or review activity other than Permit Quality Review, Enforcement State Review Framework or Title V Program This includes EPA's technical system audits and network evaluations of State.
Periodic Program Discussions with States	Routine (e.g. monthly or quarterly) calls or meetings with states to discuss state issues, (e.g., State Review Frame of attention, mid-year and end-of-year planning discussions; CAA State Implementation Plan multiyear plan etc.) or program planning, workshare, challenges, issues, etc. Only if oversight related.
Oversight Inspections	Inspections (including joint EPA/State inspections) that, in whole or in part, are for the purpose of observing state ir procedures.
Other Activities	Any other activity not included in one of the other choices. Use the "Additional Program Detail" column to list other activities you perform (e.g. routine discussions, meetings with states on permitting and enforcement actions).
No Oversight	EPA doesn't oversee Program. State doesn't have authority to run Program or oversight is discretionary and isn't c
EPA Enforcement to address a state enforcement program deficiency or unaddressed significant noncompliance.	Enforcement action taken because program audits or other oversight indicate a need for EPA to fill a gap until the s deficiency is corrected, or to address significant noncompliance that the state has not timely addressed.

Basis for the Activity

Term	*Definition*
Financial/Grant	For example, adherence to PPG/PPA or other source of federal funds
Annual Program Review	Self-explanatory.
Program Delegation/Authorization/Approval	EPA engages in oversight because State has elected to operate Federal Program (e.g. NPDES, RCRA Subpart D, NSR permitting program under 40 CFR Part 52 etc.); includes EPA delegation/authorization/approval of programs.
Oversight Required by Statute	Use this when a statute requires EPA to approve, disapprove or take some other action on a state submission disti delegated/authorized/approved Federal Program (e.g., CWA water quality standards or TMDLs; CAA state impleme plans (SIPs)).
Oversight Not Required by Statute	Use this for, among other things: oversight akin to technical assistance on draft state actions; oversight required by (e.g., State Review Framework); or, enforcement in authorized/delegated/approved states. (see footnote 1 below fo of when enforcement actions are oversight). Provide additional detail in the "Additional Program Detail" column (e.g program and reason for oversight).
Other	Basis for activity is not listed in this survey. Put the basis for the oversight in "Additional Program Detail" column.
NA/No Oversight	Self-explanatory.

Frequency

Term	*Definition*
Every 5 years	Self-explanatory.

Annual	Once every calendar year.
Semi-Annual	Once every six months (i.e. 2X per year).
Quarterly	Self-explanatory.
Monthly	Self-explanatory.
Real Time	Self-explanatory.
Other	Use this if you engage in oversight at a frequency not mentioned above; please specify the frequency in the "Additio Detail" column.
As Requested	States/Tribes/Districts seek EPA involvement or review regarding the activity but neither the activity or review is rec
NA	Self-explanatory.

Footnote

1 Several types of situations may warrant EPA involvement in individual inspections and enforcement in authorized/delegated/approv following three areas are oversight: where program audits indicate a need for EPA to fill a gap until the state program deficiency is ad the state has not timely or appropriately addressed significant noncompliance; and, program oversight inspections. Other situations constitute oversight include: emergency situations involving protection of public health and the environment; where specialized EPA (e.g., infrared camera) and/or expertise are required; Federal and State owned/operated facilities; actions to consistently address wi noncompliance problems in a sector/program (such as the national enforcement initiatives) or at companies with facilities in multiple response to state request for assistance in a specific situation.

PROGRAM	AUTHORITY	OVERSIGHT CATEGORY	OVERSIGHT ACTIVITY	BASIS	STATE/TERRITORIES	FREQUENCY	ADDITIONAL PROGRAM DETAILS	REGION	STATES
NPDES 402	CWA	Program	Permit Quality Review	Oversight Not Required by Statute	All States/Territories in Region	Every 5 years	PQR - every 5 years.	R8	IA, KS, MO, ME
NPDES 402	CWA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Not Required by Statute	All States/Territories in Region	Real Time	Conduct review of less that 10% of state-issued permits.	R8	IA, KS, MO, ME
NPDES 402	CWA	Program	Other Activities	Other	All States/Territories in Region	Other	Technical assistance and training provided as needed	R8	IA, KS, MO, ME
NPDES 402	CWA	Program	Periodic Program Discussions with States	Oversight Not Required by Statute	All States/Territories in Region	Quarterly	Quarterly calls with states to discuss overall program issues, up and coming items, etc	R8	IA, KS, MO, ME
State Revolving Funds	SDWA	Grants	Annual Program Review	Financial/Grant	All States/Territories in Region	Annual	On-site reviews of the State Revolving Fund programs in each state.	R8	IA, KS, MO, ME
State Revolving Funds	CWA	Grants	Annual Program Review	Financial/Grant	All States/Territories in Region	Annual	On-site reviews of the State Revolving Fund programs in each state.	R8	IA, KS, MO, ME
RCRA Subtitle C - Hazardous Waste	RCRA	Grants	Annual Program Review	Financial/Grant	All States/Territories in Region	Annual	Requirement set by RCRA 3006 (e). Mid-Year and End-of-Year discussions concerning STAG workplan commitments and accomplishments, state staffing, training, information management, financial assurance and recordkeeping.	R8	IA, KS, MO, ME
RCRA Subtitle C - Corrective Action	RCRA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Real Time	Requirement set by RCRA 3006 (e); periodicity determined by PPA. Review Corrective Action activities for dissemination of best practices and to ensure continued equivalence of state program with Federal statutory requirements. Typically, one or two facilities (in one or two states) are reviewed each year.	R8	IA, KS, MO, ME
RCRA Subtitle C - Safe Waste Management	RCRA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Real Time	Requirement set by RCRA 3006 (e); periodicity determined by PPA. Review permitting and closure activities for dissemination of best practices and to ensure continued equivalence of state program with Federal statutory requirements. Typically, one or two facilities (in one or two states) are reviewed each year.	R8	IA, KS, MO, ME
RCRA Subtitle C - Hazardous Waste State Authorization	RCRA	Program	Review State Submissions	Program Approval/ Delegation/Authorization	All States/Territories in Region	Other	Requirement set by RCRA 3006 (b) and 3006 (e); periodicity determined by passage of RCRA regulations. Review and analysis of state rules and statute to ensure continued equivalence of state program with Federal statutory requirements.	R8	IA, KS, MO, ME
RCRA Subtitle D - Solid Waste	RCRA	Program	Other Activities	Other	All States/Territories in Region	Other	RCRA 4007 (a) calls for periodic review of approved state Solid Waste Management Plans.	R8	IA, KS, MO, ME
RCRA Subtitle D - Coal Combustion Residuals (CCR)	RCRA	Program	Review State Submissions	Program Approval/ Delegation/Authorization	All States/Territories in Region	Other	Coordination with EPAQ HQ on CCR state permit program review and approval, as/if requested by states.	R8	IA, KS, MO, ME
RCRA Subtitle I - UST	RCRA	Compliance Monitoring and Enforcement	Annual Program Review	Oversight Required by Statute	All States/Territories in Region	Other	Some elements reviewed annually. Oversight inspections conducted periodically rotating states on a 5-6 year cycle.	R8	IA, KS, MO, ME
RCRA Subtitle I - UST	RCRA	Grants	Annual Program Review	Financial/Grant	All States/Territories in Region	Semi-Annual	Conduct mid-year and end of year reviews in accordance with Grant conditions.	R8	IA, KS, MO, ME
RCRA Subtitle I - UST	RCRA	Program	Other Periodic Audit or Review	Oversight Required by Statute	All States/Territories in Region	Other	RCRA Subtitle I - LUST/Corrective Action -Periodic reviews of state cleanup programs conducted by completing file reviews. Progress discussed annually with each state on all program elements during end of year reviews and annual state managers meetings.	R8	IA, KS, MO, ME
RCRA Subtitle I - UST	RCRA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Other	RCRA Subtitle I - State Program Approval - Requirement set by RCRA Section 9004(d) and 9004(e), periodicity determined by passage of RCRA regulations. Review and analysis of state rule and statute to ensure continued equivalence of state program with Federal statutory requirements.	R8	IA, KS, MO, ME
RCRA Subtitle I - UST	RCRA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Other	RCRA Subtitle I - State Funds - Requirement set by RCRA Section 9004(c)(6) of the SWDA, as amended by the Energy Policy Act of 2005. Frequency varies by state based on previous review and findings. Annual evaluations completed, with more in-depth analysis every 3 years.	R8	IA, KS, MO, ME
Stationary Source (165)	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Real Time	ACS measure. Review all state issued PSD and major NSR permits. Minor NSR permits are not submitted to Region 8. Respond to periodic program questions from states about rule interpretations etc.	R8	IA, KS, MO, ME
Acid Rain, Sec 72	CAA	Program	No Oversight	NA/No Oversight	All States/Territories in Region	NA	Acid rain program is administered by OAR-CAMD.	R8	IA, KS, MO, ME
Title V, 505 (b)	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Real Time	ACS measure. Review state issued title V permits. Region 8 reviews at least 75% of initial part 70 permits submitted by our states for 45-day review.	R8	IA, KS, MO, ME
Title V, 502	CAA	Program	Title V Program Evaluation	Oversight Required by Statute	All States/Territories in Region	Every 5 years	ACS measure. Conduct at least one title V program review annually. Each state's program (and tribe's with EPA-approved 40 CFR part 70 program) is reviewed approximately once every 5 years.	R8	
SIPS, 110 , 179	CAA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Real Time	EPA action on SIPs is a KPI and is required under CAA Section 110.	R8	IA, KS, MO, ME
Section 107	CAA	Program	No Oversight	NA/No Oversight	All States/Territories in Region	NA	Only the Administrator can designate areas.	R8	IA, KS, MO, ME
Section 129	CAA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Real Time	EPA action on state delegation requests is required under CAA Section 129.	R8	IA, KS, MO, ME
CA waivers, Sec. 209	CAA	Program	No Oversight	NA/No Oversight	All States/Territories in Region	NA	Waiver requests acted on at OAR.	R8	IA, KS, MO, ME
Ambient air monitoring annual data certification	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Annual	ACS measure. Evaluate all state annual data certifications and forward to OAQPS when determined adequate.	R8	IA, KS, MO, ME
Ambient air monitoring annual monitoring plans	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Real Time	ACS measure. EPA is required under 40 CFR part 58 to review and approve network plans annually within 120 days of receipt and modification requests as received.	R8	IA, KS, MO, ME
Air Quality System (AQS) data review	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Quarterly	ACS measure. Review data completeness quarterly and work with states to resolve data issues.	R8	IA, KS, MO, ME
Ambient air monitoring TSA	CAA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	Other	ACS measure. EPA is required under 40 CFR part 58 to conduct Technical Systems Audits to achieve an audit of each organization within a 3-year period.	R8	IA, KS, MO, ME
NSPS, MACT, Sections 111 and 112	CAA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Real Time	Auto delegation to states in place for NSPS and MACT for Region 8. EPA action required on 111(d) plans. Periodic program questions from states about rule interpretations etc.; some parts of these rules are not delegated and EPA is the Administrator.	R8	IA, KS, MO, ME
Section 169 - Visibility/Regional Haze	CAA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Real Time	ACS measure. EPA required to act on Regional Haze SIP submittals.	R8	IA, KS, MO, ME
Mobile Source, Sec 209	CAA	Program	No Oversight	NA/No Oversight	All States/Territories in Region	NA	Mobile sources regulated by OAR-OTAQ.	R8	IA, KS, MO, ME
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	State Review Framework	Oversight Not Required by Statute	All States/Territories in Region	Every 5 years	SRF - about to start round 4 of SRF and WY is up next for the Region (FY2017 data).	R8	IA, KS, MO, ME
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	Oversight Inspections	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort.		
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort.		
Stationary Source (165)	CAA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort.	R8	IA, KS, MO, ME
Title V, 505 (b)	CAA	Compliance Monitoring and Enforcement	State Review Framework	Oversight Not Required by Statute	All States/Territories in Region	Every 5 years	SRF - about to start round 4 of SRF and WY is up next for the Region (FY2017 data).	R8	IA, KS, MO, ME
Title V, 505 (b)	CAA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort.	R8	IA, KS, MO, ME
Title V, 505 (b)	CAA	Compliance Monitoring and Enforcement	Oversight Inspections	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort.	R8	IA, KS, MO, ME

Title V, 505 (b)	CAA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort.		
Title V, 505 (b)	CAA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	Southern Ute Indian Tribe	Annual	TAS - Southern Ute		
Title V, 505 (b)	CAA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	Southern Ute Indian Tribe	Annual	TAS - Southern Ute		
Title V, 505 (b)	CAA	Compliance Monitoring and Enforcement	Oversight Inspections	Oversight Not Required by Statute	Southern Ute Indian Tribe	Annual	TAS - Southern Ute		
NSPS, MACT, Sections 111 and 112	CAA	Compliance Monitoring and Enforcement	State Review Framework	Oversight Not Required by Statute	All States/Territories in Region	Annual	SRF - about to start round 4 of SRF and WY is up next for the Region (FY2017 data).	R8	IA, KS, MO, ME
NSPS, MACT, Sections 111 and 112	CAA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review; Periodic program questions from states about rule interpretations, SRF etc. ; Ocassional joint/oversight inspections; Some parts of these rules are not delegated and EPA is the Administrator.	R8	IA, KS, MO, ME
NSPS, MACT, Sections 111 and 112	CAA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review; Periodic program questions from states about rule interpretations etc.; Ocassional joint/oversight inspections; Some parts of these rules are not delegated and EPA is the Administrator.	R8	IA, KS, MO, ME
NSPS, MACT, Sections 111 and 112	CAA	Compliance Monitoring and Enforcement	Oversight Inspections	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review; Periodic program questions from states about rule interpretations etc.; Ocassional joint/oversight inspections; Some parts of these rules are not delegated and EPA is the Administrator. This includes NESHAP work with our states.	R8	IA, KS, MO, ME
NSPS, MACT, Sections 111 and 112	CAA	Compliance Monitoring and Enforcement	Oversight Inspections	Oversight Not Required by Statute	Southern Ute Indian Tribe	Annual	TAS - Southern Ute		
NSPS, MACT, Sections 111 and 112	CAA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	Southern Ute Indian Tribe	Annual	TAS - Southern Ute		
NSPS, MACT, Sections 111 and 112	CAA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	Southern Ute Indian Tribe	Annual	TAS - Southern Ute		
NPDES 402	CWA	Compliance Monitoring and Enforcement	Oversight Inspections	Oversight Not Required by Statute	All States/Territories in Region	Other	Typically conduct ~4 oversights the year before an SRF review (~4 oversights/5 years) to help inform the review.	R8	IA, KS, MO, ME
NPDES 402	CWA	Compliance Monitoring and Enforcement	State Review Framework	Oversight Not Required by Statute	All States/Territories in Region	Every 5 years	SRF - about to start round 4 of SRF and WY is up next for the Region (FY2017 data).	R8	IA, KS, MO, ME
NPDES 402	CWA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	All States/Territories in Region	Annual	End of year review to evaluate PPA and inspection commitments, SRF recommendation status, other state-specific program issues, ADMAs, highlights and concerns.		
NPDES 402	CWA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	All States/Territories in Region	Quarterly	Quarterly calls discuss the quarterly non-compliance report, any PPA discussions, follow-up on any SRF recommendations, workshares for inspections and enforcement, state enforcement interest, and any state issues/questions and to provide assistance.		
Superfund State Cooperative Agreements	CERCLA	Grants	Periodic Program Discussions with States	Financial/Grant	All States/Territories in Region	Quarterly	The R8 Superfund program awards cooperative agreements to the State CERCLA programs. A function of managing these agreements includes conducting annual baseline reviews, and review of monthly and quarterly progress reports. These reviews monitor spending and status of ongoing activities to insure compliance to approved work plans, budgets and terms and conditions of cooperative agreements.	R8	IA, KS, MO, ME
State Response/Brownfields Program 128(a)	CERCLA	Grants	Periodic Program Discussions with States	Financial/Grant	All States/Territories in Region	Semi-Annual	Grant management duties, including workplan and budget approval, review of semiannual reports, coordination on specific brownfield properties, and an annual review of each state's activities to establish and enhance a Response Program as authorized under CERCLA sec. 128(a). The rationale for the annual review is that it is tied to funding and the Region wants to make sure that the state workplan aligns with the award.	R8	IA, KS, MO, ME
Section 313 (b) (d); (e) (2)	EPCRA	Compliance Monitoring and Enforcement	No Oversight	NA/No Oversight	All States/Territories in Region	NA	TRI Program; No enforcement oversight.	R8	IA, KS, MO, ME
Worker Protection	FIFRA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	CO MT ND SD UT	Other	As needed - when state and EPA feels that a discussion or meeting is necessary. 6 Tribes have a Tribal Pesticide Program.		
Worker Protection	FIFRA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	CO MT ND SD UT	Annual	Region conducts annual end-of-year reviews with the states. State submits annual EOY reports to comply with EPA Cooperative Agreement Requirements. This is done in concert eith OPRA/Region 8. 6 Tribes have a Tribal Pesticide Program.	R8	IA, KS, MO, ME
Pest. Enforcement, Sec 23a	FIFRA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	CO MT ND SD UT	Annual	All R8 states except WY have delegated pesticide enforcement programs. Region conducts annual EOY reviews with states. State submits annual EOY reports to comply with EPA Cooperative Agreements requirement. 6 Tribes have a Tribal Pesticide Program.		
Pest. Enforcement, Sec 23a	FIFRA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	CO MT ND SD UT	Annual	All R8 states except WY have delegated pesticide enforcement programs. Region conducts annual EOY reviews with states. State submits annual EOY reports to comply with EPA Cooperative Agreements requirement. 6 Tribes have a Tribal Pesticide Program.	R8	IA, KS, MO, ME
RCRA Subtitle C	RCRA	Compliance Monitoring and Enforcement	State Review Framework	Oversight Not Required by Statute	All States/Territories in Region	Every 5 years	SRF - about to start round 4 of SRF and WY is up next for the Region (FY2017 data).	R8	IA, KS, MO, ME
RCRA Subtitle C	RCRA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort; Annual real-time review of targeted Corrective Action milestone events at as many as two facilities in two states, including determination/decision, technical rational, analysis, communications, process timelines, and records, as delineated in PPA and regional oversight strategy. Mid-year and end-of-year program discussions to communicate and address oversight findings, share best practices, recommend improvements, as delineated in PPA.	R8	IA, KS, MO, ME
RCRA Subtitle C	RCRA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	All States/Territories in Region	Annual	Brief annual enforcement end-of-year review, low level of effort; Annual real-time review of targeted Corrective Action milestone events at as many as two facilities in two states, including determination/decision, technical rational, analysis, communications, process timelines, and records, as delineated in PPA and regional oversight strategy. Mid-year and end-of-year program discussions to communicate and address oversight findings, share best practices, recommend improvements, as delineated in PPA.	R8	IA, KS, MO, ME
RCRA Subtitle C - Financial Assurance	RCRA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Oversight Not Required by Statute	All States/Territories in Region	Annual	Annual real-time review of financial assurance program in one state, including data integrity, cost estimates and financial instruments for corrective action, closure,and post-closure care, as delineated in PPA and regional oversight strategy. Mid-year and end-of-year program discussions to communicate and address oversight findings, share best practices, recommend improvements, as delineated in PPA. In addition to each PPA, Region 8 follows HQs' ACS commitments in reviewing operator FA submission per state, on a rolling two-year schedule. Region 8 reviews one operator FA submission in 3 states for one year, with the same strategy for the remaining 3 states the following year.	R8	IA, KS, MO, ME
RCRA Program Approvals and mod., (e.g., CCR)	RCRA	Compliance Monitoring and Enforcement	No Oversight	NA/No Oversight	All States/Territories in Region	NA	EPA is required to act on state RCRA program approval requests under subtitle I (40 CFR 281) and subtitle D (40 CFR 257 & 239)	R8	IA, KS, MO, ME
RCRA Subtitle I - UST	RCRA	Compliance Monitoring and Enforcement	Oversight Inspections	Oversight Not Required by Statute	All States/Territories in Region	Other	Conduct mid and end of year reviews of UST and LUST Cooperative Agreement workplans. Conduct periodic review of cleanup, inspection and enforcement activities, including oversight inspections every 3-5 years. Conduct annual Energy Policy Act certification and verification reviews of key UST regulation compliance.	R8	IA, KS, MO, ME

PWSS	SDWA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Enforcement Authority	CO MT ND SD UT	Other	Annual Operator Certification, Capacity Development, Sanitary Survey, GWUDISW, Filtration Avoidance; these are driven by regulation (142.16) Biannual PPA negotiations which is driven by the PWSS grant requirements in CFR 40 part 35. Annual Program report and triannual file review are both driven by Regulation (142.17) and national framework. The Program meets with all their States on a conference call once a month and once a year in person to encourage collaboration. Brief annual enforcement end-of-year review, and Uniform Enforcement Oversight System (UEOS) review every 4 years; Review of ETT priority systems quarterly and; annual PPA commitments and state oversight plans; if necessary, communicate with the state via phone/email to ensure they are taking enforcement.	R8	IA, KS, MO, ME
PWSS	SDWA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Enforcement Authority	CO MT ND SD UT	Other	Annual Operator Certification, Capacity Development, Sanitary Survey, GWUDISW, Filtration Avoidance; these are driven by regulation (142.16) Biannual PPA negotiations which is driven by the PWSS grant requirements in CFR 40 part 35. Annual Program report and triannual file review are both driven by Regulation (142.17) and national framework. The Program meets with all their States on a conference call once a month and once a year in person to encourage collaboration. Brief annual enforcement end-of-year review, and Uniform Enforcement Oversight System (UEOS) review every 4 years; Review of ETT priority systems quarterly and; annual PPA commitments and state oversight plans; if necessary, communicate with the state via phone/email to ensure they are taking enforcement.		
SDWA 1413, PWSS Primacy	SDWA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Enforcement Authority	CO MT ND SD UT	Other	Brief annual enforcement end-of-year review, and Uniform Enforcement Oversight System (UEOS) review every 4 years; Review of ETT priority systems quarterly and, if necessary, communicate with the state via phone/email to ensure they are taking enforcement. Biannual PPA negotiations which is driven by the PWSS grant requirements in CFR 40 part 35.	R8	IA, KS, MO, ME
SDWA 1413, PWSS Primacy	SDWA	Compliance Monitoring and Enforcement	Periodic Program Discussions with States	Enforcement Authority	CO MT ND SD UT	Other	Review of ETT priority systems quarterly and, if necessary, communicate with the state via phone/email to ensure they are taking enforcement. Biannual PPA negotiations which is driven by the PWSS grant requirements in CFR 40 part 35.	R8	IA, KS, MO, ME
Section 402 & 404, Lead Abatement Rule, RRP Rule	TSCA	Grants	Other Periodic Audit or Review	Financial/Grant	CO ND UT	Other	Grantee oversight review (driven by national and regional decision). This is handled by OPRA/Region 8.	R8	IA, KS, MO, ME
Authorized state programs, for lead, Section 404	TSCA	Compliance Monitoring and Enforcement	Other Periodic Audit or Review	Oversight Required by Statute	All States/Territories in Region	Other	This is handled by OPRA/Region 8.	R8	IA, KS, MO, ME
Section 406 (b) Lead Pre-Renovation Education (PRE) Rule	TSCA	Grants	Other Periodic Audit or Review	Oversight Not Required by Statute	CO	Other	Grantee oversight review (driven by national and regional decisions). This is handled by OPRA/Region 8.	R8	IA, KS, MO, ME
Lists of impaired waters	CWA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Other	The CWA requires that states develop and submit lists of impaired waters (i.e. 303(d) lists) to EPA for review and approval on even number years. R8 works closely with states in development of lists of impaired waters under the CWA Section 303(d) and 40 CFR 130.7.	R8	IA, KS, MO, ME
Water Quality Standards	CWA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Other	States must update 303(c) actions (water quality standards) via triennial reviews. Changes to water quality standards under CWA section 303(c) must be reviewed and approved by EPA prior to being in effect for CWA purposes. Such approval/disapproval responsibilities are delegated to the regional offices. Region 8 provides priorities letters to states in preparation for state triennial review rulemakings. Beside all the 6 states in Region 8, four tribes including Salish&Kootenai, Assiniboine & Sioux, Ute Mounhtain Ute, and Northern Cheyenne have EPA approved WQS and must complete triennial reviews.	R8	IA, KS, MO, ME
TMDLs & Impaired Waters	CWA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	Other	Under the CWA 303(d) and 40 CFR 130.7, states must develop total maximum daily loads (TMDLs) for impaired waters that direct appropriate restoration activities to achieve water quality standards in impaired waters. Such TMDLs must be submitted to EPA for review and approval. EPA is required to approve or disapprove final TMDLs submitted by the states. States identify priorities for TMDL development and make annual commitments for submission.	R8	IA, KS, MO, ME
PWSS	SDWA	Grants	Annual Program Review	Financial/Grant	CO MT ND SD UT	Semi-Annual	Semi-annual PPA negotiations which is driven by the PWSS grant requirements in CFR 40 part 35.	R8	IA, KS, MO, ME
PWSS	SDWA	Program	Annual Program Review	Other	CO MT ND SD UT	Annual	Annual Operator Certification, Capacity Development, Sanitary Survey, GWUDISW, Filtration Avoidance; these are driven by regulation (40 CFR 142.16) Annual Program review combines several components, and is driven by Regulation (40 CFR 142.17) and national framework.	R8	IA, KS, MO, ME
PWSS	SDWA	Program	Other Periodic Audit or Review	Other	CO MT ND SD UT	Other	Triannual file review and subject-specific deep dives are both driven by Regulation (40 CFR 142.17) and national framework.	R8	IA, KS, MO, ME
PWSS	SDWA	Program	Periodic Program Discussions with States	Other	CO MT ND SD UT	Other	The Program meets with all their States on a conference call once a month and once a year in person to encourage collaboration. Also meet with individual state programs as needed to discuss specific issues or initiatives.	R8	IA, KS, MO, ME
PWSS	SDWA	Program	Review State Submissions	Program Approval/ Delegation/Authorization	CO MT ND SD UT	As Requested	The program reviews state applications for primacy for a specific National Primary Drinking Water Regulation, as states submit primacy applications. This process is driven by statute and regulation at 40 CFR Part 142. EPA also has some limited roles to approve State designations under 40 CFR Part 141 (e.g. 141.29).	R8	IA, KS, MO, ME
UIC Class II Sec 1425	SDWA	Grants	Annual Program Review	Financial/Grant	All States/Territories in Region and One Tribe	Annual	Semi-annual PPA negotiations which is driven by the UIC grant requirements in CFR 40 part 35. EPA's Regional UIC program conducts a midyear call with its ten state/tribal UIC primacy agencies annually to generally assess progress on achieving work plan goals and measures. EPA also reviews end of year (EOY) state/tribal performance reports to confirm that workplan commitments have been met.	R8	IA, KS, MO, ME
UIC Class II Sec 1425	SDWA	Program	Other Periodic Audit or Review	Other	All States/Territories in Region and One Tribe	Other	EPA recently completed its oversight report resulting from an in-depth review of the North Dakota UIC Class II program and is working with the State on incorporating some improvements to State implementation. Because these type of reviews are very resource intensive, the Region is working with OGWDW on determining the frequency and rationale for conducting similar reviews of other state/tribal programs in the future.	R8	IA, KS, MO, ME
UIC Class II Sec 1425	SDWA	Program	Periodic Program Discussions with States	Other	All States/Territories in Region and One Tribe	Other	EOY workplan reviews under the PPA inform whether a change in the level of oversight is warranted for the next fiscal year. EPA also reviews and approves aquifer exemptions requested by the state/tribe and state/tribal UIC rule changes, and provides issue-specific technical and regulatory assistance. EPA also participates in an annual R8 UIC meeting with all state programs.	R8	IA, KS, MO, ME
UIC Class I, II, III, V, VI Sec 1422	SDWA	Grants	Annual Program Review	Financial/Grant	All States/Territories in Region and One Tribe	Annual	Semi-annual PPA negotiations which is driven by the UIC grant requirements in CFR 40 part 35. EPA's Regional UIC program conducts a midyear call with its ten state/tribal UIC primacy agencies annually to generally assess progress on achieving work plan goals and measures. EPA also reviews end of year (EOY) state/tribal performance reports to confirm that workplan commitments have been met.	R8	IA, KS, MO, ME
UIC Class I, II, III, V, VI Sec 1422	SDWA	Program	Other Periodic Audit or Review	Other	All States/Territories in Region and One Tribe	Other	EPA recently completed its oversight report resulting from an in-depth review of the North Dakota UIC Class II program and is working with the State on incorporating some improvements to State implementation. Because these type of reviews are very resource intensive, the Region is working with OGWDW on determining the frequency and rationale for conducting similar reviews of other state/tribal programs in the future.	R8	IA, KS, MO, ME
UIC Class I, II, III, V, VI Sec 1422	SDWA	Program	Periodic Program Discussions with States	Other	All States/Territories in Region and One Tribe	Other	EOY workplan reviews under the PPA inform whether a change in the level of oversight is warranted for the next fiscal year. EPA also reviews and approves aquifer exemptions requested by the state/tribe and state/tribal UIC rule changes, and provides issue-specific technical and regulatory assistance. EPA also participates in an annual R8 UIC meeting with all state programs.	R8	IA, KS, MO, ME
UIC Class II Sec 1425	SDWA	Program	Review State or Tribal Submissions	Program Approval/ Delegation/Authorization	All States/Territories in Region	As Requested	The program reviews state or tribal applications for primacy for a specific UIC program (1422, 1425, and/or Class VI) under 40 CFR Part 145.	R8	IA, KS, MO, ME
UIC Class I, II, III, V, VI Sec 1422	SDWA	Program	Review State or Tribal Submissions	Program Approval/ Delegation/Authorization	All States/Territories in Region	As Requested	The program reviews state or tribal applications for primacy for a specific UIC program (1422, 1425, and/or Class VI) under 40 CFR Part 145.	R8	IA, KS, MO, ME

Worker Protection	FIFRA	Program	Periodic Program Discussions with States	Oversight Required by Statute	All States/Territories in Region	Annual	Region conducts annual end-of-year reviews with the states. State submits annual EOY reports to comply with EPA Cooperative Agreement Requirements.	R8	IA, KS, MO, ME
Emergency Exemptions, CFR Part 166, Sec 18	FIFRA	Program	No Oversight	NA/No Oversight	All States/Territories in Region	NA	Emergency Exemptions under FIFRA Sec. 18 are issued only by EPA/OPP	R8	IA, KS, MO, ME
Special local needs reg., 24 (c); 40 CFRPart 162, Subpart D	FIFRA	Program	Annual Program Review	Program Approval/ Delegation/Authorization	All States/Territories in Region	As Requested	States have the authority under FIFRA Sec 24 (c) to issue Special Local Needs pesticide registrations. States must submit the 24(c) registration requests to EPA/OPP for review. EPA has 90 days to issue a notice of intent to deny the 24(c). If EPA does not issue a notice of intent to deny within 90 days, the 24(c) registration becomes valid in the state.	R8	IA, KS, MO, ME
Comm and Pvt. applicators of restr. use Pest., 40 CFR 171.7	FIFRA	Program	Periodic Program Discussions with States	Program Approval/ Delegation/Authorization	All States/Territories in Region	Annual	Region conducts annual end-of-year reviews with states. State submits annual EOY reports to comply with EPA Cooperative Agreement requirement.	R8	IA, KS, MO, ME
Pest. Enforcement, Sec 23a	FIFRA	Program	Periodic Program Discussions with States	Program Approval/ Delegation/Authorization	CO MT ND SD UT	Annual	All R8 states except WY have delegated pesticide enforcement programs. Region conducts annual EOY reviews with states. State submits annual EOY reports to comply with EPA Cooperative Agreements requirement.	R8	IA, KS, MO, ME
Pest. Certification, Sec 23b	FIFRA	Program	Periodic Program Discussions with States	Program Approval/ Delegation/Authorization	All States/Territories in Region	Annual	Region conducts annual EOY reviews with the states. State submits annual EOY reports to comply with EPA Cooperative Agreements requirement.	R8	IA, KS, MO, ME
Pest. Certification, Sec 23b	FIFRA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Program Approval/ Delegation/Authorization	All States/Territories in Region	Annual	Region conducts annual EOY reviews with the states. State submits annual EOY reports to comply with EPA Cooperative Agreements requirement.	R8	IA, KS, MO, ME
Asbestos (MAP)	TSCA	Program	No Oversight	NA/No Oversight	All States/Territories in Region	NA	National decision to Disinvest in Asbestos Program as part of COE effort.	R8	IA, KS, MO, ME
Section 402 & 404, Lead Abatement Rule, RRP Rule	TSCA	Program	Periodic Program Discussions with States	Program Approval/ Delegation/Authorization	UT	Quarterly	Quarterly conference calls (driven by regional decision) and annual mid-year meeting (driven by PPA).	R8	IA, KS, MO, ME
Section 402 & 404, Lead Abatement Rule, RRP Rule	TSCA	Grants	Oversight Inspections	Financial/Grant	All States/Territories in Region	As Requested	Grantee oversight review (driven by national and regional decision).	R8	IA, KS, MO, ME
Authorized state programs, for lead, Section 404	TSCA	Program	Periodic Program Discussions with States	Program Approval/ Delegation/Authorization	CO ND UT	Quarterly	Quarterly conference calls (driven by regional decision) and annual mid-year meeting (driven by PPA); Annual oversight meeting - two days of meetings with the 3 states.	R8	IA, KS, MO, ME
Authorized state programs, for lead, Section 404	TSCA	Grants	Annual Program Review	Financial/Grant	CO ND UT	Annual	Grantee oversight review (driven by national and regional decision). We work with Regions 9 and 10 to host a mini grant conference with our grantees (lead Program focus).	R8	IA, KS, MO, ME
Preemption waivers, Section 19(f)	TSCA	Program	No Oversight	NA/No Oversight	All States/Territories in Region	NA	OCSPP lead, not delegated to Regions.	R8	IA, KS, MO, ME
Section 406 (b) Lead Pre-Renovation Education (PRE) Rule	TSCA	Program	Periodic Program Discussions with States	Program Approval/ Delegation/Authorization	UT	Quarterly	Quarterly conference calls (driven by regional decision) and annual mid-year meeting (driven by PPA).	R8	IA, KS, MO, ME
Section 406 (b) Lead Pre-Renovation Education (PRE) Rule	TSCA	Grants	Oversight Inspections	Financial/Grant	UT	As Requested	Grantee oversight review (driven by national and regional decision).	R8	IA, KS, MO, ME
Section 319	CWA	Grants	Annual Program Review	Financial/Grant	All States/Territories in Region	Annual	Grantee oversight review (driven by national and regional decision).	R8	IA, KS, MO, ME
Section 319	CWA	Program	Review State Submissions	Oversight Required by Statute	All States/Territories in Region	As Requested	CWA Section 319(d) requires EPA to approve or disapprove state nonpoint source management programs and reports.	R8	IA, KS, MO, ME
TMDLs & Impaired Waters	CWA	Program	Real-time Review of draft Permits, Enforcement Actions, TMDLs, etc.	Oversight Required by Statute	All States/Territories in Region	As Requested	R8 works closely with states during development of draft 303(d) lists and TMDL documents. EPA provides informal and formal comments to states to ensure that final 303(d) list and TMDL submittals are approvable. This process is driven by statute and regulation at 40 CFR 130.7	R8	IA, KS, MO, ME
