Bob is going to make some general remarks in response to this draft (see agenda). If there's anything in particular the iNPDs want him to note, please let us know. In the afternoon, he'll provide suggestions for topics to be discussed at the July 10-11 meeting with the SAB & BOSC. We will distribute a draft set of talking points and slides for your consideration. We can discuss any comments on these at the iNPD call on Monday.
