Subject: redacted allegation list
Attachments: Allegations summary workbook - FOIA_Redacted.pdf

Please take a look at the attached allegations table with redactions and let me know if you think this is appropriate. I removed names, initials and any organization affiliation for any non-anonymous allegators. I also removed the initials/names of anyone working for OSA. I did leave the OIG case numbers and I'm not sure if I should redact those as well.

I'm now going to go through the files for each allegation and decide what should be sent and redact as needed.
