After a very brief internet search I came up with these on emission factors and potentially who is covered. I sure there are many more if someone spent the time.

Nebraska

http://water.unl.edu/web/manure/emissions-rule

Iowa

http://www.extension.iastate.edu/airquality/cerclaepcra.html

Minnesota

http://www.extension.iastate.edu/airquality/cerclaepcra.html Appears based on Nebraska data

Michigan

http://www.animalagteam.msu.edu/AirQuality/EPCRAinformation/tabid/285/Default.aspx

North Dakota Has several including National Cattlemen's Assoc

http://denr.sd.gov/des/gw/SARATitleIII/Emissions_from_Anima_Waste.aspx

Milk Producers

http://www.nmpf.org/washington_watch/environment/cercla-epcra Uses Nebraska method

http://www.enviroag.com/Home/EPCRA/TAD.pdf Based on Texas & Kansas State research

Poultry in KY
