Subject: FW: OW IO Awareness Review: FOIA EPA-R9-2018-008976 Rosemont Copper Company - requested by 2/12/19

Melissa – here is the document we were speaking about.

Attached is the OW equities relevant to EPA Region 9 FOIA 2018-008976. In this FOIA, Fennemore Craig Attorneys, representing Rosemont Copper Company, requested EPA records from November 2016 - present relating to Rosemont's proposed open pit mine in Arizona. OW equities identified by Region 9 for OWOW review entailed approximately 50 emails. These emails discuss and include publicly-available technical comments that EPA Region 9 prepared on the project, discuss and include responses to the Region's technical comments prepared by the company, discuss and include informational briefing materials on the project that OWOW prepared for OW, and discuss and include materials prepared in anticipation of a meeting between EPA and the company.

Please review and advise as to your assessment by 2/12/19.
