| CBP-2021-081749 | Julia P Sulek | I request that a copy of the following documents be provided to me:<br>- A memo distributed within DHS on or after May 26, 2021, describing a 2016 contact between Customs and Border Protection agents and Samuel Cassidy, the perpetrator of a shooting at a Valley Transportation Authority facility in San Jose, California. (For reference, this memo was described in a May 27, 2021, story by the Wall Street Journal https://www.wsj.com/articles/san-jose-shooter-was-previously-questioned-by-law-enforcement-over-hatred-of-workplace-11622142384)<br>- All records relating to Mr. Cassidy's 2016 contact with Customs and Border Protection, including but not limited to any descriptions or photographs of items that were in his possession, and any records of efforts to share information about that contact with other law enforcement agencies.<br><br>As you know, FOIA requires agencies to release information unless it is specifically exempt from disclosure, and also requires agencies to release all reasonably segregable nonexempt portions of documents, i.e., to redact exempt portions of documents and release the rest. See 5 U.S.C. Â§ 552(a)(8).<br><br>In order to help to determine my status for purposes of determining the applicability of any fees, you should know that I am a representative of the news media | 7/7/2021 | Full Grant |

| CBP-2021-081459 | Traci E Henningsen | To whom this may concern,<br><br>I filled out the application back in Jan 2020. I was denied in Jan 4/ 21 as there was an error in the addresses that I noticed as they had reached out in August 21/20 . I appealed, but was not aware the process so I reapplied thinking that was the correct step to take to input the information for the address along with paying another $250. I didn't realize that this would start the process over. I have been in contact with the HQ and I am trying to speed up the process as I will be traveling in September to Morocco& France with my 76 aunt, Patti McCarroll, who has global entry. I would like to be there to assist her through customs as well as I will be traveling internationally for work in the future.<br><br>I made a simple mistake of reapplying when I should of changed the information of the addresses. I have attached the denial letter. I look forward to know where to go from here and in hope that you take all this into consideration to help approve and speed up my application.<br><br>All the best,<br>Traci E. I request this for all of the aforementioned contracts.<br>*I apologize for any inconvenience as I couldn't find a faster way to communicate with the division. | CBP-2021-082023 | Omid Shakery | Good day. Hope everything is great. I am interested in advanced human performance and achieving superhuman health. I have written some of my personal knowledge and experience on how to achieve ultimate health on my website that I believe even you will find very interesting for your human performance research projects. Here is just a quick brief summary of some ideas I have for supreme human performance health: www.universum.in/ultimatum<br><br>I am also interested in human cryonics preservation or conservation. I don't know the expression that you would use for it, and I don't want to use the word cryonics or human cryopreservation, since I am not sure if that freezing is the optimal way, you might have a better solution.<br><br>I am also the founder of www.universum.in<br>You can also read more on www.universum.in/howtoendpandemics<br><br>My dream is to achieve a higher level of maximal superhuman health so that I can and keep on serving our humanity and our world in the highest level as long as I am still alive.
