RE: The John P. Saad & Son, Inc. Superfund Site
3655 Trousdale Drive
Nashville, Tennessee

Dear Madam or Sir:

In accordance with the Freedom of Information Act, I am requesting access to, and copies of, information regarding the above-captioned site located in Nashville, Tennessee. I respectfully request a department-wide search for all material that is public record and that this information be made available for my review. I am specifically seeking information regarding the involvement of a company by the name of SKF USA/SKF Industries.

The information and facts I am seeking pertain to, and address, answers to the following:

1. The history of ownership of the site including leases, agreements of sale or purchases, and deeds.

2. The history and nature of operations at the site.

3. Copies of all correspondence, notices, citations, orders or other documentation of communications between SKF and any local, state or federal regulatory agency.

4. Copies of all investigations, studies, reports and other documents pertaining to the timing, source, nature and extent of contamination at or around the site.

5. All information regarding the cost and status of the remediation effort at the site and specifically with regard to SKF's contributions and/or allocations, and settlement agreements.

6. Current status of the site as it relates to cleanup, monitoring and remediation.

After receiving this request, please advise me if it can be answered by mail or if an appointment needs to be made to schedule a file review. Should you have any questions or comments regarding this request, please contact me by phone or email.

Sincerely,

Glenn D. Phillips
