Peter -- We should reschedule tomorrow's call. Jon and I are available on June 28th either morning or afternoon. If that doesn't work, we're available in the morning of July 1st. Let us know if you want dates from the following week as well. Thanks.

Best regards,
Robby

Hi, we think that there is not much point in having the call tomorrow as we will not be able to get you a revised redline by that time. If you have matters to discuss, we do remain available and are happy to speak. In any event, it would make sense to set up a call for when Robby returns and, if possible, we will send out the CD to Jon when it is ready, even in Robby's absence. Please suggest a time and date for another call. Peter
