Subject: RDX dialogue package for your review + cheat sheet to looking at changes
Attachments: RDX public dialogue draft (6-3-13).docx

Hi Sue,

Hopefully this will help you get through the review a little quicker. Let me know if it was at all useful. I'm sending the document on to you for a final look through with one major outstanding issue regarding the lit search. The resolution will only involve number changes, not any text, so I think this is a fair "final" draft to look at.
