Dear Gene:

National Emission Standards for Hazardous Air Pollutants (NESHAP) Compliance Status Report

The enclosed report and schedule reflects the actions taken during the month of June 1994 and future corrective actions for items noted in the United States Environmental Protection Agency's final report concerning the March 16-19, 1993, NESHAP compliance inspection.

Monthly status reports will continue to be submitted until all outstanding issues are complete to assure compliance with 40 CFR 61, Subpart H (NESHAP) and your request of January 5, 1994 (EO-23-5748).

If you have any questions or need additional information, please contact Mark Swearingen of my staff at extension 2046.

Sincerely,

T. David Taylor
MMES Site Manager
