We can reserve a table and two chairs for EPA. Would be beneficial for EPA to bring out their tent, as this usually attracts a larger audience around table.

Hi Chris,

Is there a cost associated? If not, we would like a table and two chairs.

Thank you!

Sophia

It'll be great to have EPA at our event.

Will you need a table + chairs? If so, how many?

We are asking tablers to arrive at park and set up prior to 11:30am

I'll forward full rundown for the day shortly.

Thanks again and let me know if you have any additional questions.

Hi Chris, Sophia Kelley and I plan on being at the June 14 event. We will bring plenty of Passaic River cleanup proposal fact sheets. Thanks for the opportunity to participate.

Hi Dave, any update on whether or not EPA would be available to provide some educational tabling on our Saturday, 6/14 River Day between 12:30pm-3pm? We'd like to get an accurate table count before we place rental order this Friday. Thanks for all your help!

Hi Chris, I will work with our Passaic River project team and regional management on this request. Sounds like a great idea and I hope that we can work something out. Please nudge me again if you do not hear back from me soon. What is the date of the event and what are the hours / expectations for our participation? Thanks.

Dave,

Hope all is well!

Quick question…

For the past couple of years we have organized a "Newark River Day". The day begins with a "Walk to the Water" featuring residents and musicians from each of Newark's wards. Participants walk from Newark City Hall to the park for a day-long festival at the water's edge. Festivities have featured Newark talent and culture, including Brazilian martial artists, hip hop dance, gospel, spoken word, arts & crafts, free public kayaking and canoeing, boating, educational activities including the Sewer-in-a-Suitcase, and kite-flying lessons. Visitors have also been able to inspect mock-ups of the extensive educational signage.

I know EPA was looking to come out to our event last summer, but it fell through last minute due to EPA weekend budget constraints… Would you happen to have a contact I could reach out to at EPA that handles tabling at community events? Would love to have you guys out there this year!

Best,

Chris
