>> Attached please find a flyer for the event on 6/2 with target audience on elected officials along the Lower Passaic. Based on your suggestion, the event is now open to the public. The registration will begin at 8 and program at 8:30, which is 30 min later than the previous agenda. Congressman Pascrell has agreed to attend, and we are waiting to hear back from Congressman Penn.

Also, if there is any information that you like to distribute during the event, we will be happy to package them together and distribute them at

the registration desk.
