Subject: You may be contacted by SRA International, Inc for an interview

SRA International, Inc is under contract with EPA to interview community members, including CAG members, about the effectiveness of past community outreach on the lower Passaic River projects and about ways the EPA can improve outreach and public input on cleanup proposals and implementation in the future. SRA International is the firm that has contracted with Doug Sarno to provide facilitation support to the CAG.

If you receive a request from Abi Gaines, Stephen Garon or other representatives with SRA International, Inc. it is for this purpose. If you have any questions at all, I can answer them any time via email or phone as listed below. I also will be at tomorrow's CAG meeting to answer questions. I hope that you can participate in an interview.
