Subject: Make that Thursday June 12!

Apologies, I was looking at July. The second Thursday in June is the 12, see you then

Doug

>
> Thanks to all the CAG members who attended the public meeting last night, there were a lot of community members there and many provided comments. The CAG will be drafting its comments throughout the next months working primarily through the technical committee. The hope is that the CAG will be ready to provide public comment at the final EPA public meeting and it will certainly provide detailed written comments to the EPA within the comment period.
