By the way, we just found out that a vote has now been scheduled in the Senate tomorrow at 5:30 pm.

So as it stands now, both Senators Booker and Menendez will unfortunately now not be able to attend – they will send reps.

Hi again, sorry to be pain here – is there any way you can do the call at 9:30?

We are now trying to arrange this as originally planned, as a conference call for all staffers.

Thank you.

Hi Charles, is there any time this afternoon (what's left of it, anyway) for you to get the phone briefing we've been discussing.

Rather than tomorrow morning.

Thanks.

Hi Charles – here's what I know……

Current plans for the event:

- Friday, April 11, 2:00 pm
- Riverbank Park, Newark
- EPA Regional Administrator Judith Enck, Senators Cory Booker and Robert Menendez, Congressman Bill Pascrell, NJDEP Commissioner Bob Martin, Newark Mayor Luis Quintana all plan to attend.
- Congressmen Rodney Frelinghuysen and Albio Sires are also invited.
- Members will have an opportunity for brief remarks, ~5 minutes.

Final event details to be transmitted in an advisory Thursday morning.

Further details on the proposed cleanup plan that EPA will announce will be provided in a call-in for congressional staffers on Friday morning, ~9:30 am; we'll followup with call-in details.

Please let me know if you need any further info.

Thanks!
