I will not be on the call. Emergency response work and travel to Massena, NY for public meetings will prevent my attendance but please proceed without me. thanks

Hi All,
Thank you Doug. Terrie and I had been thinking that postponing our meeting tomorrow would make a lot of sense. We hope all of you fared well through the storm.

We have attached a draft schedule of activities for the CAG throughout different parts of the Passaic

River cleanup process, as well as potential technical assistance services that could go along with the CAG activities.

We look forward to you all letting us know when it is a good time to reschedule our call together. We also look forward to your comments on the draft schedule.

Best,
Kirby (and Terrie)

Terrie and I will work on putting together an initial list of issues and questions that we anticipate you would like addressed along with a schedule from now until the anticipated release of the proposed plan in March 2013, for discussion during our next call. We look forward to talking with you all again next Friday, November 2 at 3:30 pm Eastern. We will use the same conference call information as we did today. Please find it below.
