Hi Allan,

I hope all's well. There are two documents that we are unable to locate from our files. The first is a one page minor modification of the Schiller Station NPDES permit dated January 24, 1995. The second document is another one page minor modification but for the Merrimack Station NPDES permit, dated October 27, 1993. It would be much appreciated if you had these and could send me copies. Sorry for the inconvenience.

Regards,

Sharon
