Bill:

I think that the 16th will work but I am still waiting to hear about the availability of some contractor personnel who we would like to have at the meeting. Meanwhile, I would appreciate it if you could hold the date.

Thanks.

Sarah:

Sorry for the confusion, but I just realized that I have a conflict on December 11th.

Please let me know if Dec. 16 (PM) works for your team. If not, please provide alternative dates in early January, as my client will not be available the last 2 weeks of the year during the holidays.

Thank you.

Bill

Bill,

I'm following up on my letter to you of October 24, 2013, to ask if Givaudan would be available to meet with EPA regarding our plan to collect samples from the Givaudan containment cell. I had suggested mid-November but as it turns out, the first week of December 2013 is preferable for EPA.

Also, please let me know if you have any questions about the investigation.

Regards,

-Sarah
