November 2018

If you haven't heard already, the Regional Monitoring Program for Water Quality in San Fr

a

ncisco Bay (the RMP) is sponsoring a Data Visualization Challenge. The purpose of this contest is to promote new visualizations of the data from the CD3 database (

cd3.sfei.org

) and gain new insights.

The previous deadlines for submissions was November 19, 2018. However to collect even more amazing ideas,

we have extended the deadline to November 30, 2018.

As a reminder, cash prizes will be awarded for the best visualizations. For more information visit the

SFEI website

.

Thank you.
