Hi Adam,
We'd love to meet with you in San Francisco. Jamie Marincola, our California workgroup lead, is going to reach out with some dates and help coordinate our agenda. I've cc'd him on this email.
Have a great weekend,
Ellen

Thanks Adam. I'm trying to find out exact time/agenda for the webinar- will let you know. Would be happy to discuss trading and other market-based implementation opportunities you are seeing in the CV at any time. The memo looks promising but is raising lots of Qs
Best
