Subject: Re: Please spread the word- upcoming Webinar on Stormwater Crediting and Pay-for-Performance Funding Approaches

Hi David,

Please add Mary Boyd to your contacts list. Mary is the new Statewide Municipal Storm Water Program Manager for the State Water Board, backfilling Gayleen Perreira who has recently retired. You may recognize Mary's name as she was previously a Senior for the NPDES Program at the SF Bay Regional Water Board.

By copy I am forwarding your email below for Mary's consideration in attending the webinar described in your email below.

Thank you.
