Subject: SWRCB/OCC FILE A-2610 - REQUEST TO HOLD PETITION IN ABEYANCE
Attachments: ERF Request Petition in Abeyance.pdf

Dear Philip G. Wyels,

Through this office, Ecological Rights Foundation requests that the petition noted above be held in abeyance. The petition does not challenge the assessment of civil penalties per se. The petition challenges a Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order for the Sewer Authority Mid-Coastside, Order No. R2-2018-1012, which fails to comport with the State Board's Water Quality Enforcement Policy.

Sincerely,

Brian Gaffney
