Rob,

The link for the main document is still the Pre-Final document and not the Draft Final Design document. And there Pre-Final and Draft Final Design appendices like there are three Appendix As. They need to post all the documents for the Draft Final Appendices.

Stephanie has had the RM 10.9 Draft Final Design including the CHASP posted to ourpassaic.org http://ourpassaic.org/ and invited public comment. She says that Dave Kluesner plans to specifically inform the CAG later this week.
