Davjd,

Wow be more than happy to spin you up on a complicated Subject. Tuesday morning is looking good for me.

Muffy

Muffy – I've gotten a few inquiries from tribes and others about work the Corps is doing around a programmatic BA for shellfish aquaculture and authorizations under NWP 48. This is not an issue I had been tracking, so would appreciate the opportunity to discuss so that I can get a better sense of the issues at play. Would you have time for a short phone call next week? (I am out of the office and travelling tomorrow). Thanks.
