I'd like to see something with citations of actual formal published agency documents. I'd also like to see a similar document from FWS. I don't think we've seen anything from them.

I have attached the documents again for ease of access. Also, please let me know ASAP if you are still having trouble connecting to Vidyo. We would like to utilize Vidyo to share screens and discuss documents, and individual's inability to connect may hamper the discussion. Thank you in advance.
