Diane, Can the NJDEP receive a copy of EPA's written submission to CSTAG?

CSTAG requires the submission of an 11 principals memo (answering specific questions) which we provided on 2/14/18. No, we did not share that with the CAG.

The CAG has requested copies of your letter submissions to the CSTAG; the letters (NJDEP letter dated February 13, 2018 and NOAA/FWS letter dated February 16, 2018) are not marked as subject to the Joint Prosecution and Confidentiality Agreement, and we are planning to release them to the CAG. However, if you would like to discuss any concerns, please contact us today, by close of business.

Thanks
