Thanks Vince- I see significant improvement. I made a few suggested edits to more clearly include ideas we discussed yesterday- take a look and we can wrap up tonight. Thanks!

Hi Dave,

Erica and I worked together to revise this draft that incorporates your suggested edits from this morning and notes from our debrief this afternoon. So you're aware:

- Conclusion slide is added near the beginning and repeated at the end.
- We kept the Strengths slide (#8) to one because we will reiterate that the previous slide elements (Addressing Challenges from 2014 letter) have now also become a strength of the program.
- There are only 2 challenges slide. We consolidated the tracking slide recommendation as part of the branding challenge.

Thanks again for your input. Looking forward to hearing your thoughts on this version.

Vince

Hi Dave,

Here is the latest version of our presentation for Thursday's meeting. If you have time It would be helpful to get your input on slides 8-11 ("Challenges"). We can find a few minutes to discuss tomorrow.

Best,

Erica and Vince
