Isaac,

Please coordinate with Sonja regarding the wrap-up necessary to get this one out to Public Notice. Please comment or confirm "no comments" to Sonja's June 11th email (see it for attachments).

It now appears that the proposed LDEQ/EPA meeting for June 24th **will be rescheduled**. Therefore, Sonja will be sending the letter that you need to sign for EPA regarding the Public Notice via Federal Express/overnight. Please coordinate with Sonja regarding the timing (will you be in the office

tomorrow and/or Friday this week?)

Thanks

K

Hi Isaac,

I spoke with Sonja and the attached should contain all of the revisions that were discussed for the PDP and Fact Sheet. She also included the supporting emails.

Unless, you have comments, she will finalize this in "hard-copy format" and mail it along with the signature document that will move this one forward for Public Notice.

Since this one is already behind schedule, Sonja needs a response as soon as possible. She will be available if you need any additional information.

(P.S. LDEQ may be coming to Dallas on Tuesday, June 24th so it would be great if they could bring the hard-copy & get the needed signature then???)

Thanks

K
