Nice! Good for you. Having either Mary or Debbie there would be so great.

Mary—please let me know if you are able to come to Sacramento that day to testify. If not, I will gladly reach out to Debbie.

Thanks so much,
Tricia

Hi Tricia! I will be in Berlin April 22, but either Mary (who I believe is in Sacramento today) or Debbie Ruddock our leg coordinator, should be able to attend.

Importance: High

Good Morning,

I am writing for one of two reasons. First, AB 1511 has been set to be heard in Assembly Natural Resources Committee on Monday, April 22nd at 2:30 pm (or upon adjournment of Session). Second, I wanted to see if one of you would be available to testify in committee alongside Tom Ford of the Bay Foundation. Both the Assemblyman and myself feel it would be beneficial for either one of you to come and speak to the reasons as to why this shift in oversight of the Commission should be made as stated in the language of the bill. Please let me know if either of you are available to participate in the hearing on April 22nd.

Thank you,
Tricia
