Hi Tom and Guangyu: Thank you for the opportunity to comment. Overall, I think it is well organized and will provide a responders with a good opportunity to provide thoughtful and useful feedback.

I've added my comments to yours. Would be good to have one more set of fresh eyes look at it before you distribute it.
Will this go out through lyris and be posted to the SMBRC and TBF websites?
Who will "collect" the responses?

Tom – you can delete the email I sent you with comments yesterday.

Best,

Erica
