Great…I'll use and expand on what you just sent and put something in.

Thanks so much.

I didn't but we probably should document it. Mainly MARAD and Coast Guard initiated all agencies conference call on proposed bi-directional change for LOOP under their existing Deepwater Port Act license. Topics included: NPDES and CAA permit requirements, NEPA and compliance with other cross-cutting statutes (Endangered Species Act, Magnuson-Stevens Marine Habitat Protection Act, and Marine Mammal Protection Act?). 6WQ, 6MM, 6EN, and 6RC participated for Region 6.

Don't think we need to go into a great deal of depth since we plan on working it up the change over the next couple of weeks.
