Subject: Re: Draft Inquiry and Reply for your approval

We should just refer to state since they have primacy.

> A – Thank you for your inquiry. With the exception of Section 311, of the Clean Water Act, the Texas Commission on Environmental Quality is the lead for water violations. EPA has no records of violation for the Intercontinental Terminals Company, under Section 311. Please contact the Manager of Compliance Monitoring Section, Lynley Doyen, at 512-239-1364. We have nothing for CWA 311.
