Christian and Troy - are you okay with this approach? I have been out of the office all of this week so traveling for a 1 hr meeting is difficult.

He was also okay with having someone from EPA there but deferring to David over the phone for the briefing. Also, CSB confirmed with the staffer that they will have someone there for the briefing, I was told.

Would you mind checking with Babin's team to see if the congressman would accept a phone briefing?
