Subject: Publc Water Supply Contingency Plan Update
Attachments: PWSCP Addendum_July 15 2015.pdf

All:
On behalf of the Navy please find attached an update to the PWSCP. This update includes development of trigger values for the new outpost wells recently installed upgradient of South Farmingdale Plant 6 and Massapequa water supply wells 6442 and 6443.

Please let me know if you have any problems opening the file.

Regards,
Brian
