As noted in my email below, we won't propose to put the subject on the agenda, and I don't need any details, but I would appreciate knowing if the two parties have had any discussions or have a planned date for discussions.

Ed/Lora: As captured in the meeting notes the Navy and NG will attempt to re-craft agenda items 2 and 3 (ONCT Effectiveness and Hotspot Investigation) for the next meeting agenda and the agenda will also be modified to identify the presenters for each agenda topic. Do you think you could get us something on that within the next week?
