Yes. Each response is a separate pdf and is word searchable.

Thanks you so very much!

Have a quick question. Are you scanning each response as a separate pdf and will the PRP name appear on the pdf image? Also, will the pdfs be searchable?

Diana and Mary As I indicated in emails to Diana, I am having the 104e files scanned and I will have CDs sent to you in about 3-4 weeks. Obviously there is no need for your trip to Trenton on Wednesday. I will be in touch. Frank

Frank:

We are confirmed for Wednesday, May 22nd. Does 10 am work? Any chance you've gotten a change to put together the index of the Kuhne document or ascertain the volume of documents that will be made available?

Diana Let's shoot for Weds the 23rd. I will try to put together a little index of Kuhne documents and an estimate of the overall volume for all documents next week. Frank

Frank:

As we discussed at our meeting, Mary Donahue of Ashland and I would like to come in and review the 104(e) responses relative to the LCP site. At this point, we are looking at either Monday May 20th or Wednesday May 22nd for the review, with the 20th being our preference. Please let me know which date works best for you at your earliest convenience and also if you could give us a sense of volume, that would be much appreciated.

Thank you,

Diana
