Thank you Adam. I sent you a DVD containing the LCP Administrative Record last week. I should be able to send another DVD with the remainder of the requested records later this week. Regards, Frank Cardiello

> Dear Mr. Arnold: This will confirm our discussions on Monday, November 3, 2014 regarding the Freedom of Information Request (FOIA) No. EPA-R2-2014-009615. You agreed to modify your initial request for "the entire file for the LCP Chemicals, Inc. Superfund Site" to include, at this point, (1) the documents in the LCP Site Administrative Record and (2) all documents in the LCP Site file that refer or relate to **E. I. du Pont de Nemours and Company.** You are reserving your right to file other FOIA requests for all or portions of the LCP Chemicals, Inc. Superfund Site file in the future. If you are in agreement with this modification, kindly advise accordingly. Thank you, Frank Cardiello
