Subject: Curfew Sec. 24(c) - UPDATES
Attachments: R-089-026 Curfew Sec. 24(c) FL-990014 Parasitic Nematodes in Turf and Mole Crickets Present at Time of Application.pdf; R-089-035 Sec. 24(c) GA-030005 For Control of Nematodes in Turf and Mole Crickets Present at Time of Application.pdf; R-089-036 Curfew Sec. 24(c) NC-050012 For Control of Nematodes and Mole Crickets in Turf Present at Time of Application.pdf; R-089-037 Curfew Sec. 24(c) SC-030005 For Control of Nematodes in Turf and Mole Crickets Present at Time of Application.pdf; R-089-038 Curfew Sec 24(c) AL-040001 For Control of Nematodes and Mole Crickets in Turf Present at Time of Application.pdf

CDMS, Greenbook and Agrian;

Attached are 5 updated Sec. 24(c) supplemental labels for Curfew:

R-089-026 *Curfew Sec. 24(c) FL-990014 Parasitic Nematodes in Turf and Mole Crickets Present at Time of Application*

Replaces R-089-021

R-089-035 *Curfew Sec. 24(c) GA-030005 For Control of Nematodes in Turf and Mole Crickets Present at Time of Application*

Replaces R-089-029

R-089-036 *Curfew Sec. 24(c) NC-050012 For Control of Nematodes and Mole Crickets in Turf Present at Time of Application*

Replaces R-089-032

R-089-037 *Curfew Sec. 24(c) SC-030005 For Control of Nematodes in Turf and Mole Crickets Present at Time of Application*

Replaces R-089-033

R-089-038 *Curfew Sec 24(c) AL-040001 For Control of Nematodes and Mole Crickets in Turf Present at Time of Application*

Replaces R-089-034

Please update your files.

All – these documents will be available on the dowagro.com Label/MSDS web page tomorrow, June 14th.
