Subject: RE: Oregon Ocean Acidification 303(d) Impaired Waters List

Lori,

After a discussion with Lee, I'm going to be stepping back further on this project to an "upon request" resource for Tom, you, and/or Jill, such that Tom really will be the face (and voice) of the OGC/Water Law Office on the Oregon listing stuff (as opposed to being something like a lead on the OA issue for Oregon).

Thanks,

Steve

p.s. I will still, however, patch in for the call today.
