Subject: RE: Ocean Acidification: May 11th Meeting with EPA/UW/NOAA

Hi Mike,

I can do that, or if it's more appropriate for Teena to, that's fine with me. I'm sorry you won't get to stay for the whole thing though. Do you want to reschedule?? Should I get some coffee and snacks? Thx.

jill

Okay I messed up. I need to be on an airplane at 11:50 on Monday so will need to leave the meeting around 10:00.

I thought my flight was later.

So, I am happy to start the meeting but will need someone to facilitate after I leave.

Could I ask one of you to do that?

I will send out an agenda to everyone today and ask if they have presentation materials.

Thanks.

Subject: Ocean Acidification: May 11th Meeting with EPA/UW/NOAA

Jan: Draft agenda for next Monday below. Take a look and see what you think. Thanks.

Monday May 11th
9:00 – 11:00
21st Floor (Shoshone)

Check-in on first floor and call Mike Personal Privacy / Ex. 6
For meeting

Call-in: Personal Privacy / Ex. 6
Code: 2
Adobe

Purpose: Meet with EPA, UW Ocean Acidification Center and NOAA to share information on OCA activities and potential future collaboration

Draft Agenda

9:00 – 9:15 Welcome, introductions, etc.

9:15 – 9:30 Overview of UW Ocean Acidification Center activities
- PACE post-doc status
- Water quality monitoring
- Laboratory studies (e.g., biological impacts)
- Forecasting models

9:30 – 9:45 Overview of NOAA activities in Northwest

9:45 – 10:00 Overview of EPA activities in Northwest
- Status of Ecology/PNNL work
- RARE project
- CBD litigation

10:00 – 10:30 CWA 303(d) listings
- Overview of process
- What information helps inform decisions
- Current status in Oregon and Washington
- Questions and discussions

10:30 – 10:45 Potential future collaboration

10:45 - 11:00 Next steps

Michael Cox

Hi Michael,
May 11th at 9-11 works for me and Terrie.
To answer your earlier question, yes, it would be great to include Dick Feely.
best,
Jan

If not could we look at the week of May 25th?

Thanks. Scheduling can be a challenge.

Can we tentatively set May 13th from 9-11 at the EPA office at 6th and University?

Also, would you mind if we invited Dick Feely to attend, if he is available. We thought it would be good to also understand better the work NOAA is doing related to OA.

Thanks.

Hi Mike,
For me and Terrie, the best dates would be 11 and 13 May.
thanks,
Jan

Hi Mike,
Yes, thanks, it was great seeing you as well. Thank you for your email and great idea.

Terrie Klinger (cc'd here) and I would most definitely appreciate the opportunity to meet with you all again, to update you on the work the Washington OA Center is doing.

Let me circle with Terrie and a few other key WOAC people, like the postdoc you mentioned, to find optimal times. Fortunately I am around those two weeks, excepting 15, 18, 19 May.

Best regards,
Jan

We were thinking of trying to find a time during the weeks of May 11th or May 18th to meet.

Are there any times during those weeks that would work for you?

Thanks.
