Subject: Oregon marine waters

Lori,

I talked to Lee briefly about the tension between the programmatic preference and, you know, the atute-stay.

He had a couple questions.

Attorney Client / Deliberative Process / Ex. 5

Attorney Client / Deliberative Process / Ex. 5

Also, though the comparable Washington waters are "out of cycle" for what the State is currently working on, which year list would Washington be coming in with next (and when would that list be coming in)? **The next list 2014/2016 that will assess both marine and freshwater in Washington is expected in 2017 we hope.**

Finally, on 304(a) petition, I called Brian Rappoli who explained that Dana Thomas really was the driver … and he didn't know what is waking this up now. I will deal with the 304(a) matter when I get back.

Thanks,

Steve
