Subject: DW Point of Contact for Freedom Chemical spill

I will be on leave until January 27th, and we are transitioning the Water Protection Division coordination lead for drinking water issues from me to Bill Arguto for the Freedom Chemical spill/West Virginia American water Company contamination and recovery. Patti Kay Wisniewski will continue in her lead technical support role. Please include Bill in your email communications and key meetings/briefings.

As appropriate, please continue to copy me on communications, so I can back Bill up as necessary. Thanks very much.--Vicky
