Hi Rita, it's me again. Are there anymore Region 3 requests concerning the WV Oil Spill that should be assigned in HQ's? Please let me know and I'll do them in the morning.

Thanks so much

Cindy

Hi Cynthia. I spoke with Frank Fritz about this one this morning and he also thought that it was concerning the WV spill. If you could please assign to HQs and task the other offices, that would be great. Thanks for being on top of it.

Hi Rita, this is the request that's still assigned with Region 3. When we spoke last Friday, you didn't think this one was concerning the West Virginia Oil Spill, but after consulting with Larry this afternoon on the Expedited Processing he said this one should also be assigned to HQ's. So should you re-assign it or should I? Larry and I googled the West Virginia American Water Company and Larry said this is concerning the Spill. Please let me know if you want me to assign it and also tasks to the other offices like the other Oil Spill Requests.

Thanks

Cindy
