> Sen. Markey heard from a constituent, Swix Sports, complaining that EPA denied their TSCA exemption request for PFAS in ski wax. The company was unhappy because they have been leaders in moving away from chems in performance wax. Please let me know if we can provide details on EPA's decision regarding the wax.

> In addition to the exemption request, they would like to find out about options in the Safer Chemicals program for their products. They asked for a Safer Choice contact for their DC rep,

Martha Marapese (202-719-7156). It's ok if our Safer Choice folks contact Ms. Marapese directly and we can report out to Sen. Markey's staff.

Please let me know if any questions. Thanks,
Sven
